*date:* Eindhoven, November 27th, 2007

*contents:* Dear Caroline Fischer

As stated on my website, my player scripts (JW MP3 Player, JW FLV Player, JW Media Player and JW Image Rotator) are released under the terms of the Creative Commons BY-NC-SA license, and as such not available for commercial use.

However, with this letter I, the sole author and owner of these scripts, provide you with the exceptional license to use these scripts within the hereby given amount of commercial projects:

**1 commercial project(s)**

You may adjust the scripts to your wishes. However, contrary to the CC licensing terms, you cannot redistribute the (modified or not) source code.

Attribution is not necessary, but would be appreciated.

This license is not time-bound and also applies to future updates of the licensed scripts.

Yours truly,

A handwritten signature in black ink, appearing to be 'JW', enclosed within a large, loopy oval shape.
